ROAD CONTRACT IS AWARDED TO HOLMAN

Six Bids Received for Building
Wagon Road Between York
and Duncan at a Cost of
Eight Thousand, Five
Hundred Dollars

The most important business transacted by the Board of Supervisors at their December meeting was the awarding of the contract for the building of the wagon road between York and Duncan, bids for which had been advertised for during the past three weeks. Six bids for doing the grading work was received by the board, as follows:

J. T. Holman, \$8,497.
Hagan, Hamilton & Boyle, \$14,950.
W. L. Harrell, \$9,000.
Vandercock & Black, \$10,995.
J. A. Wagstaff, \$10,000.
T. J. Nations, \$12,500.

During the morning session Mr. F. A. Sanders, representing the A. C. Co., Shannon Co., and D. C. Co., as taxpayers of the county, appeared and entered a protest against the awarding of any contract for road building on the ground that under the present law governing road building in each county the Board had no such authority. The Board awarded the contract to J. T. Holman, as the lowest bidder, pending the opinion of the district attorney on the legality of the contract. During the afternoon session the District Attorney filed a written opinion with the Board upholding the action taken by the Board and giving it as his opinion that the Board had the legal authority to let the contract. The contract was let for the grading of the road bed and does not include bridges and pipe drains. Mr. Holman began the preliminary work on the road on Friday.

An additional two hundred dollars was appropriated by the county for the purpose of building a foot bridge across the river between Hill's Addition and Shannon Hill.

Joe Wagner, an indigent, was granted an appropriation of fifteen dollars per month.

Bids will be opened by the Board on Dec. 30th for the building of a 100 foot bridge across the Gila at Duncan. The bridge to cost not more than sixteen thousand dollars.

Bids for a County map were rejected and ordered advertised again and will be received until Dec. 30th.

ORGANIZER IN TOWN.

Louis Collins, organizer of the order of Moose is in town with the view of instituting a lodge of the order of Moose in Clifton. The order is rapidly growing in the eastern states, and if Clifton secures a lodge, this town will be represented by nearly all the fraternal orders of the world. At this time it is fitting to remark that a concerted action on the part of the orders of Clifton should be taken to put up a fine hall building and library. There is ample funds in the treasuries of the orders to build a \$25,000 temple, where commodious halls can be arranged, and each lodge have a home. A pull together in this direction will add materially to the fame of the great copper city, and be a blessing to its enterprising people.
